COMMEMORATIVE BRICK PROGRAM

Building Brockway

One Brick At A Time

WCA

Commemorative Brick Program

On October 31, 2004, we broke ground on the Brockway Campus and site preparation began.

On April 27, 2008, we celebrated the beginning of construction and our first classroom building and gymnasium.

Our construction plans include three areas to be paved with walkways of commemorative bricks: from the football field to the gymnasium, between the baseball and softball diamonds, and at the entrance to Founders' Hall.

Personalized bricks are a great way to recognize alumni, teacher, staff, parents, children, grandchildren, and other family members and their accomplishments.

Your engraved brick can be a permanent piece of Brockway history.
